

SERVICE

A commitment to building a more just and caring society through dedicated service to youth, seeking quality education in an economically devastated area.

COMMUNITY

Living simply in community with other volunteers in solidarity with those they serve. Supported and mentored by women and men experienced in Caribbean culture and its local context.

VOLUNTEERS

Looking for talented and creative post-secondary graduates committed to building an effective learning environment that will support well rounded life-long learners on the beautiful Caribbean island of Montserrat.

PLACEMENTS

Possible placements at all the island schools. Responsibilities may include teaching or assisting in core subjects, IT, sports, arts & crafts, remediation, library, extracurricular activities. Volunteers will be welcome at:

St. Augustine Primary School supported by the Catholic parish of Montserrat

Montserrat Ministry of Education primary, secondary and college schools

Aunt Madge's Child Care early childhood centre

JUSTICE

Dedicated teachers activating a faith that promotes justice, seeks to undo racism and discrimination in order to understand causes of poverty, and works to transform systematic injustice in educational opportunities intended for those in under serviced communities.

SPIRITUALITY

A year of spiritual growth with regular reflection, prayer and retreats, responding to Pope Francis' call to "go to the periphery" by making a preferential option for serving the educational needs of this small marginalized island in the Caribbean.

AN INVITATION TO

"GO TO THE PERIPHERY

AND BECOME A CHURCH OF

THE POOR FOR THE POOR"

-POPE FRANCIS

MONTSERRAT

This new BVTc project serves the people of the Caribbean island of Montserrat in the British West Indies – a small Caribbean island, which is not a stopping place for the tourist cruise ships.

The Montserrat BVTc project
is a partnership
of the Basilian Fathers,
the Society of the Divine Word and the
Montserrat Ministry of Education.
